VAR TECH®
Quality • Reliability • Economy

L.C. Meter : LCM-1

Features

- **High Precision L.C. Meter**
- Inductance & Capacitance Measurements
- Wide measurement range
- High accuracy
- 4 Digit LCD Display
- Superior Quality
- Portable LC Meter

Specifications :

- **Low Range mode**

Capacitance 1pF-10uF

Inductance 1uH-100mH

- **High Range mode**

Capacitance 1uF-100mF

Inductance 100mH-100H

- **Test Frequencies**

L & C range : 500kHz

Hi. L Range : 500Hz ~50KHz

** All Specifications & appearances are subject to change without prior notice*
